U-ten-go (Swahili): a refuge, shelter

Supporting rural ministries and schools in Kenya

This testimony is one example of how Utengo partners, like Kenyan Pastor Zedekiah, are bringing new life and new hope to the hurting. We pray that you will be encouraged by Mary's faith!

A Song of Life

My name is Mary. I am married with four kids and I live in the Tassia slums. I came to New Life Worship Centre through my children who go for Sunday school there. I wanted to see the church my children attend, because they would always come home singing and dancing. Also, they would always invite me to this church. I was not saved and I never knew about salvation. This particular Sunday, I decided to attend. There was a guest preacher. I listened to the Word and somehow found myself kneeling down at the alter. Tears were flowing down my cheeks. I cried for the condition of my life and for God to save me from my sins.

After receiving Christ, things have not been so

good with my husband who is not a believer. He stopped supporting us with food and school fees. But we have been encouraged by the prayers and support from the church.

I thank God for our Pastor Zedekiah who has been a great help praying for us. I will never go back to the world for I have seen what God has done in my life.

Thank you for praying for us and for my husband to be saved.
