*Supporting rural ministries in Kenya*

## Bibles Touch Lives

During the past year, Utengo supporters enabled the distribution of hundreds of Bibles in rural Kenya. Below, recipients describe the impact of this gift:

*Greetings in Jesus name. Thank you for giving me a Bible. It's very useful to me in understanding the Word of God. It's also wonderful because I get the message clear when I read alone unlike before. May God bless you mightily as you continue with the good work.*

*I am writing this letter to appreciate you for the Bibles which you donated to us. We are so grateful for your support because those Bibles have made many people to know the Word of God and many people have started believing in the faith. Those Bibles have helped us to open many churches to spread the Word of God. May God bless the work of your hands.*

*Thank you for the Bible that I received from you. It has really changed my life after reading it widely. This Bible has also been read by some of my friends. I pray that they too may receive their own copies that they may live with the Word of God in their own houses. Thank you and may God bless you with Godly love.*

Pastor Charles Njagi, who oversees these churches, shared this note:

*...I thank God for your prayers. We have also started building two churches in Tharaka County. When you visit Kenya you shall see the progress. I started preaching at Tharaka last year and people are giving their lives to Christ. God bless you for the work you are doing... pass my regards to the donors of Bibles.*

*Much Love,*
